

Individual Artists

Individuals are welcome to stay in any of the accommodations on Battle Island, but we have specially designated the [*Elizabeth Green Artisan Workshop*](#) with the artist in mind. This workshop is located on the harbour shoreline to enable you to fully immerse in all that is Battle Harbour. If you are lucky enough to be in the workshop when whales are visiting, you may awaken to the breathing of a humpback. The building has a 10' x 10' studio in the front with a Jotel wood-stove to keep you warm on cool days. In the back you will find a cozy bedroom with a double bed and a bathroom with shower.

The studio area is perfect to store your supplies while you explore the island. But then again, you may decide to paint right off the wharf as the view out the door is incredible.

There is a three-night minimum stay for the Elizabeth Green Artisan Workshop. Per-person package must be purchased as well.
