

## Artisan Groups

If you are traveling with a group of artists, we have many accommodations to choose from. One of you may decide on the [Elizabeth Green Artisan Workshop](#) as your accommodation. You can also check out our [Cottages](#) and [Rooms](#). For storing your paintings, easels and paints, or working on days when the weather does not cooperate, we have the [Salmon Loft Conference Area](#). There is plenty of space in this loft for a group to spread out and work. Contact [Annette](#) to help you find the perfect accommodations for your inspirational stay at Battle Harbour.
